Thesis Gold Announces Updates to the Management Team

Vancouver, British Columbia -- (January 16, 2025) – Thesis Gold Inc. ("**Thesis**" or the "**Company**") (TSXV: TAU | WKN: A3EP87 | OTCQX: THSGF) is pleased to announce the appointment of Dr. Evan Orovan as Chief Geologist and Kettina Cordero as Vice President of Investor Relations.

Dr. Orovan is a highly experienced economic geologist specializing in porphyry-epithermal systems and exploration strategies in lithocap and green rock environments. With over 15 years of global experience across leading porphyry provinces, including the SW Pacific, South America, and North America, Dr. Orovan is recognized as an expert in his field, having served as Guest Editor for three special issues in *Economic Geology* and is an inaugural Editorial Board member for *SEG Discovery*. His extensive expertise includes leading teams in economic geology research, managing critical mineral systems projects, and overseeing exploration initiatives on world-class deposits. Dr. Orovan holds a Ph.D. in Economic Geology from the University of Tasmania's Centre of Excellence in Ore Deposits (CODES). Thesis is thrilled to have him join the team to advance its Lawyers-Ranch Project in British Columbia.

An experienced professional, Miss Cordero brings over 15 years of expertise in investor relations and corporate communications within the mining industry. Her career spans companies of all sizes, from small-cap to large-cap organizations in the precious and base metals sectors. She has held key roles with industry leaders, including Pan American Silver Corp., Alexco Resource Corp., Capstone Copper Corp., and Aris Mining Corporation. Miss Cordero holds a Diploma in Commerce and Production from Instituto Superior BBZ in Lima, Peru, and earned the Certified Professional Investor Relations designation from the Canadian Investor Relations Institute (CIRI) in 2012.

"We are thrilled to welcome both Dr. Evan Orovan and Kettina Cordero to the Thesis Gold team," said Dr. Ewan Webster, President and CEO of Thesis Gold. "Evan brings a wealth of global expertise in economic geology and a proven track record of advancing world-class mineral projects, which will be invaluable as we continue to unlock the potential of the Lawyers-Ranch Project. Kettina's extensive experience in investor relations and her ability to foster strong relationships within the investment community will be instrumental in communicating our vision and milestones to stakeholders. Their combined expertise strengthens our team and positions us for continued success in advancing our projects and building shareholder value."

On behalf of the Board of Directors,
Thesis Gold Inc.,

"Ewan Webster"

Ewan Webster Ph.D., P. Geo.
President, CEO, and Director

About Thesis Gold Inc.

Thesis Gold Inc. is a resource development company focused on unlocking the potential of its 100% owned Lawyers-Ranch Project, located in British Columbia's prolific Toodoggone Mining District. The recently completed Preliminary Economic Assessment (PEA) highlights robust project economics, including a 35.2% after-tax IRR and an after-tax NPV5% of C\$1.28 billion, demonstrating the potential for significant value creation. The Company's 2025 roadmap includes a robust exploration and drill program, delivery of

a Pre-Feasibility Study on the combined Lawyers-Ranch Project, and commencement of the Environmental Impact Assessment Process. Through these strategic moves, Thesis Gold intends to elevate the Lawyers-Ranch Project to the forefront of global precious metals ventures.

Cautionary Statement Regarding Forward-Looking Information

This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information includes, without limitation, statements regarding the use of proceeds from the Company's recently completed financings and the future plans or prospects of the Company. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking statements are necessarily based upon a number of assumptions that, while considered reasonable by management, are inherently subject to business, market, and economic risks, uncertainties, and contingencies that may cause actual results, performance, or achievements to be materially different from those expressed or implied by forward-looking statements. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated, or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. Other factors which could materially affect such forward-looking information are described in the risk factors in the Company's most recent annual management's discussion and analysis, which is available on the Company's profile on SEDAR+ at www.sedarplus.ca. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.
