## Thesis Gold announces Annual Shareholders Meeting and Grant of Stock Options

Vancouver, British Columbia -- (November 10, 2020) – Thesis Gold Inc. (formerly Chinapintza Mining Corp., the "**Company**") (TSXV: TAU.V) announces that it will hold its annual general and special meeting (the "**Meeting**") of shareholders on Thursday, January 14, 2021 at 10:00 a.m. (Vancouver time). Details of the Meeting will, in due course, be provided in the Company's notice of meeting, management information circular and form of proxy to be delivered to shareholders and filed under the Company's SEDAR profile at [www.sedar.com](http://www.sedar.com).

In addition, the Company has granted a total of 1,900,000 incentive stock options to directors, officers, employees and consultants. The incentive stock options vest immediately and may be exercised at a price of \$0.50 per common share for a period of five years from the date of grant, subject to the terms of Company's 10% rolling stock option plan and the policies of the TSX Venture Exchange. As a result of the grant, the Company has a total of 1,900,000 stock options issued, representing 6.35% of the issued and outstanding share capital of the Company.

On behalf of the Board of Directors

**Cautionary Statement Regarding Forward-Looking Information**

*This press release contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information includes, without limitation, statements regarding the use of proceeds from the Company's recently completed financings, and the future plans or prospects of the Company. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". Forward-looking statements are necessarily based upon a number of assumptions that, while considered reasonable by management, are inherently subject to business, market and economic risks, uncertainties and contingencies that may cause actual results, performance or achievements to be materially different from those expressed or implied by forward-looking statements. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. Other factors which could materially affect such forward-looking information are described in the risk factors in the Company's most recent annual management's discussion and analysis which is available on the Company's profile on SEDAR at [www.sedar.com](http://www.sedar.com). The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.*
