### **BTV Covers Osisko Development, Thesis Gold, Monarch Mining, Cybercatch and ION Energy with Aranjin Resources**

On national TV Sat. June 25 & Sun. June 26, 2022 – [BTV-Business Television](#) showcases emerging companies in the markets.

**Discover Companies to Invest In** - Click company name to watch their TV feature:

[Osisko Development](#) (TSX.V: ODV, NYSE: ODV) – A premiere gold company with proven leadership lead by veteran miner, Sean Roosen. BTV explores Osisko's plans to become North America's next mid-tier gold producer.

[ION Energy](#) (TSX.V: ION, OTCQB: IONGF) & [Aranjin Resources](#) (TSX.V: ARJN) – With Asia being a major consumer of battery metals, these companies team up to take advantage. BTV discovers how this strategic alliance plans to electrify the Asian battery metals market.

[CyberCatch](#) – BTV learns how Cybercatch protects small and medium sized businesses with their unique patented technology by solving the root cause of data breaches and ransom attacks.

[Thesis Gold](#) (TSX.V: TAU, OTCQX: THSGF) – Fully funded and building off last year's success. BTV visits Northern B.C's prolific Golden Horseshoe where Thesis is planning a significant 2022 drill program.

[Monarch Mining](#) (TSX: GBAR, OTCQX: GBARF) – On the verge of becoming a gold producer, BTV checks in on Monarch's strong pipeline of development and exploration projects in Quebec.
